# World Children's Choir

Sondra Harnes, Artistic Director

The World Children's Choir serves as a voice for children – a voice that celebrates cultural diversity through music, builds positive international relations, and asks people to work together to create a peaceful, healthy world for all children.

The World Children's Choir has been appointed to the Artists Roster of the John F. Kennedy Center for the Performing Arts. Performances have been given for President George W. Bush, former U.S. Presidents George Bush and William Clinton, Kofi Annan, Secretary General of the United Nations, Queen Noor of Jordan, Queen Sofia of Spain, Mikhail Gorbachev, former president of the Soviet Union, and Justices of the United States Supreme Court.

As part of its mission, the Choir raises funds for children in need, and performs in concerts and events benefiting such organizations as UNICEF, Save the Children, and the United Nations Refugee Educational Trust.

The Choir's most recent performances were given in New York City – Ground Zero, St. Peter's Catholic Church, and the United Nations.
